

## HELP FOR GRAVE-HUNTERS.

**Med Crown to Increase Recreation for Registration Service.**

WASHINGTON, June 25.—Recreation activities of the American Red Cross in behalf of the graves registration service of the army will be continued for two months at least and at some points increased, at the personal request of Gen. Pershing. It was announced to-day at Red Cross headquarters that although other recreational work is being rapidly curtailed, the work of affording diversion to the personnel of the graves registration service from their sombre task of identifying the graves of American soldiers was so important that it would be increased.

HAMBY HOPES  
JUDGE WILL NOT  
DELAY DEATH DATE

District Attorney Says Convicted Man Is Guilty of Eight Murders.

Convicted without an effort at defense of the murder of De Witt C. Peal, paying teller of the East Brooklyn Savings Bank, on Dec. 13 last, Gordon Fawcett Hamby, self-confessed slayer of Peal and Teller Coona, expressed the desire to-day that there be no delay in his trip to the electric chair. District Attorney Lewis of Brooklyn, who secured his conviction before Justice Fawcett and a jury in the Brooklyn Supreme Court, said of him this morning: "The conviction of Gordon Fawcett Hamby is the most important happening in the annals of the administration of criminal law in this city. Convicted of murder in the State of Washington, he was wanted for murder and robbery in at least five states."

that he is responsible for the killing of eight persons.

"Hamby is wanted in Omaha, Neb., St. Paul, Minn., Chicago, Los Angeles and in one of the towns of Oklahoma. Including his two murders in Brooklyn and the slaying of his pal in Tacoma, he has to his credit eight murders."

The only thing which seemed to worry Hamby, who wants to go to the chair under the name of Jay Hoyd Allen, when seen to-day is that there may be some delay in his electrocution. He appeared more cheerful when information reached him that it isn't necessary to go through the formality of appealing his case and that the chances are that he will be a dead man in six weeks.

He will be sentenced to-morrow by Justice Fawcett to die in the chair. He declares that he will die without revealing the name of the man who accompanied him in the \$13,000 robbery of the East Brooklyn Savings Bank.

"I prefer the electric chair to a jail cell cot," he remarked. "The District Attorney tried to use delay as a club to make me tell the name of the man who was my partner in the hold-up."

A dispatch to The Evening World from Montreal, Canada, states that Hamby was implicated in a bank robbery in British Columbia some years ago in which two men were killed. Hamby was asked about this to-day.

"I was in only two bank jobs in British Columbia," he said, "in one of them a man was killed. This

was at a little place called Plum Coodle. The man killed was the manager of the bank."

## THREE BOYS KIDNAPPED.

Called From School and Taken in Auto, Mother Says.

Mrs. Anna Allen, No. 28 West 28th Street, Bayonne, reported to-day to the police that yesterday afternoon at recess at Public School No. 8 her three sons were called out to the sidewalk, put into an automobile and carried away. They are Barton, eight, William, seven, and Robert, six.

Mrs. Allen says she thinks the children were taken by her husband, Frederick Allen, from whom she says she separated about a year ago, leaving him in Wyoming, where they were then living, and coming East with her children.

## Be Careful What You Wash Your Hair With

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified coconut oil shampoo, for this is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advt.
